Getting Here

By Car: From the A10, take the Hoddesdon exit signposted A1170 and follow the short dual carriageway. Now, always follow signs showing "A1170 / All other Routes". At the first roundabout take the second exit, quickly followed by another roundabout, taking the second exit again. AT the third roundabout go straight on for some distance, passing Sainsburys on your right. Following the road round to the left, you will pass a small petrol station; Curwens offices are on the right hand side adjacent to it.

Parking: There are visitor car parking spaces in front of our offices.
