YOUR LEGAL TEAM FOR LIFE

## Buying and Selling Residential Property

OUR EXPERIENCED CONVEYANCING TEAM CAN MAKE THE PROCESS MUCH LESS STRESSFUL

Buying a home is – for most of us - the single largest financial decision that we ever make. It is certainly a “six-figure” decision and, indeed, now in many cases it is actually a “seven-figure” decision.

Conveyancing is the legal process of transferring a home’s ownership from one person to another.

For this level of personal investment and commitment, it is essential that the solicitors that you use are experienced enough to do that job right, and Curwens is a long standing member of the Law Society **Conveyancing Quality Scheme**.

Our team is fast, efficient and offers good value for money, so there is little risk of losing out on a sale or purchase.

Using a solicitor will:

- Help protect you against property fraud
- Confirm that the vendor of the property has the right to sell the property
- Ensure that the land deeds and property forms are properly scrutinised and that the local, drainage and environmental searches are done properly.

Whether it is your first home, or your forever home, we are here to help you buy your dream home or pass on your current house to its new custodians. We don’t compete on price. We compete on quality, but our prices are still very competitive.

Our Residential Property team can also advise you on:

- Remortgaging
- Buying and selling freeholds
- Buying and selling leaseholds
- Purchasing Auction Properties
- Residential development
- Property & neighbour Issues
- New Build Properties
- Transfer of Equity
- Bridging Loans
- Buy-to-lets
